On April 29, we celebrated the first five Moldovan graduates from Evangel Theological Seminary in Kiev. After much work and effort, Misha, Elena, Sergei, Calvin, and Andrei received their Masters of Arts.

Nancy, with friends, Galina and Daniela. Nancy was definitely shocked with two surprise birthday parties this year!

Friends from Montana, including Mike Baker, Dori Herrick, Dick Larson, and Paul Goodman, Supt. of Montana. While Paul taught our pastors, the others scouted out the hospitals and projects, planning future ministry. We still can't believe that Mike packed a Butterball turkey for us!

Maisa, Muhabat, and Ravshani are from Turkmenistan. They are studying Bible now, preparing to minister in their home country. We love it when they cook Turkmen food at our house!

We hosted a team from Mountain Ave Assembly, Ontario, CA in April. Pastor Tim Cederblom's church worked hard, ministering and working alongside the church here. Missionaries Larry and Dorothy Cederblom gave us an extra two weeks of ministry, investing in the lives of our young leaders.

Children's church at New Life church where we attend. Can you spot the American and Dutch missionary kids?

The work in Moldova is dependent on your faithful support and prayers. If you would like to support the ministry in Moldova, please send donations to AGWM, 1445 N. Boonville Ave., Springfield, MO 65802, Acct. #2477537.
