Pieces Coming Together

After 10 months, scores of meetings and thousands of miles by road and air, we are finally seeing all the pieces come together. By the end of July, we will be returning home to Moldova, moving vision to reality.

We are amazed with how God uses a variety of means and various individuals to build His Church in Moldova, i.e.:

- A friend in Wisconsin donating \$1/cup of coffee to Home of Hope
- Two families from Little Rock sponsoring two new church plants
- Creative Memories consultant gathering donated materials for trafficked women's ministry
- Over 150 churches and individuals pledging support for Moldova

Nancy and Michelle: In addition to monthly support, at the Grand Opening of her store, Trendsetters Boutique, Michelle donated \$5 for every purse sold to the Home of Hope.

Provision International Missions Convention: Andy, John Ashcroft, Victor Pavlovski (bishop of Moldovan church). Provision raised thousands of dollars for church planting and other ministries for Moldova and other countries. We are excited for their partnership in the coming years!

Walhalla A/G (Pastor Dann) had their afterschool kids REALLY learn about Moldova!

April 2007--Nancy became a licensed minister!

Faces of Moldova

Vision Focuses:

- #2 (Church Planting) and
- #4 (Convoy of Hope outreaches)

Our vision is to see almost 200 churches planted over the next five years. The only hope for our country is to have Christ's grace expressed through the local church. We have hundreds of villages still without churches.

The Convoy of Hope outreaches are ways to show God's love to the community, through free groceries, free haircuts, music, lunch and kids ministries.

"Everywhere you go, preach the Word. If necessary, use words."
